

# NAVY ISLAND JAMAICA

**NAVY ISLAND** is a small tropical island off the coast of Port Antonio, Jamaica. In the 18th century, the island was used by the British Royal Navy (hence the name). According to local legend, Navy Island changed hands in the 1940s during a rum-fueled poker game involving a Hollywood celebrity. Even today, the island remains one of the most beautiful spots in the Caribbean. The rich and vibrant history of Navy Island inspired this traditional Jamaican rum brand.
