IRISH WHISKEY

Triple Distilled

ABV: 40%

ROOTED IN IRISH HISTORY, The Galtee Mountain Boy Irish Whiskey recalls an iconic tale featured in an Irish folk ballad of the same name.

Presented in a **traditional clay bottle**, this triple blend of locally-sourced grain, malt and pot still whiskies is patiently matured in **bourbon casks** and then finished in **double charred casks**.

This unique finish results in smooth and relaxing whiskey with notes of dried fruit and sweetness on the nose, complimented by vanilla, nutmeg and toffee on the palate with caramel undertones, followed by a citrus finish.
