## HISTORY:

The Brechet family purchased Domaine des Chenes in 2010. Lirac is located just across the Rhone river from Chateauneuf du Pape and represents excellent value, especially in the hands of Laurent Brechet. The vineyards have an altitude of 65m, grown in ancient riverbed soils with sand, clay & limestone with an average age of 30 years. The wines are vinified at Chateau Vaudieu in Chateauneuf du Pape.
